

NATIONAL AMERICAN UNIVERSITY

COMMUNITY COLLEGE LEADERSHIP PROGRAM

Certificate of Authorship

Part of the core values expected for the behavior of the doctoral students is their authentic authorship of written assignments. Students must submit a signed certificate of authorship during matriculation that covers all work submitted during the student's tenure with NAU. Individual professors may also require this form to be completed for course assignments. Additional documentation is required for verification of authenticity of the dissertation.

Date: _____

Student: _____

Assignment: _____

Course: _____
Number Section

Professor: _____

By submitting this document, I certify that for all written assignments:

- I will be the author for my work; I will prepare my work; I will properly cite all sources of information; and I will conduct and reference all research in accordance with the current *Publication Manual of the American Psychological Association* (6th Edition).
- I acknowledge and agree that my assignments may be submitted to an external service to determine the originality of my work and that my work shall be subject to the terms and conditions of such service.
- I further acknowledge that I am subject to the academic integrity policies and procedures set forth in the university graduate catalog.
